Dear Sir:

The undersigned is empowered to act on behalf of the assignee B.I. Group Plc (the "Assignee"). A true copy of the Assignments of the above-captioned application from the Inventor to the former Assignee (General Electric Company) and also the new Assignee (B.I. Group Plc) as well as the Assignment from General Electric Company to B.I. Group Plc are attached hereto. These Assignments represent the entire chain of title of this invention from the Inventor to the current Assignee. I have reviewed these Assignments, and to the best of the B.I. Group Plc's knowledge and belief, B.I. Group Plc is the owner of the entire right, title, and interest in the above-referenced application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the application, or any patent issuing thereon.
